Slipknot Slipknot Rar

So please, just shut the fuck up, because no one here needs your negativity. This Slipknot came out before the one basically everyone knows today I like them yes, and I don't give a shit if theres a band with another name as them and I don't think the nu-metal Slipknot copied these guys.. Slipknot is back with a brand new studio album called We Are Not Your Kind, which you can listen to right here! The heavy metal band released their latest record on Friday (August 9), which.
